Figure 1 consists of two maps. The left map, titled "Location of County within State", shows the state of Montana divided into counties. One county in the central-northern part of the state is highlighted in orange. The right map, titled "Sheet Location within Entity", shows a large yellow rectangle representing the entity. A smaller yellow rectangle is located in the upper-left portion of the large rectangle, indicating the sheet's location within the entity.

NAME: Johnson County (019)
ENTITY TYPE: County or statistically equivalent entity
ST: Wyoming (56)
